EDMONTON, ALBERTA, WEDNESDAY, AUG. 17, 1955

Section One—8 Pages

Many Boys and Girls Enjoy Camp At Baptiste Lake

After a successful camping period, camp Matawawin on Baptiste Lake closed for the season. The Camp is located on Baptiste Lake and is operated by the Athabasca Deanery of the Anglican Church.

Playing field facilities were considerably improved for the 1955 camping season, a bulldozer having been brought in last year to level the ground and move the cabins to more convenient locations on the camp site. General repairs to the buildings were also made.

The Camp for Girls under the leadership of Miss Florence Budd of Faust brought together over 30 girls representing the parishes of Athabasca, Boyle, Colinton, Lac La Biche, Slave Lake, Smith and Faust. The leader was assisted by the two ladies of the Sunday School Caravan Mission working in the Deanery—Miss Nancy Hamm of Toledo, Ohio, and Miss Dorothy Lane, of Liverpool, Eng. Mrs. Evelyn Thompson of Slave Lake was in charge of the kitchen, assisted by Miss Olwyn Jones of Faust. Ven. C. E. N. Humphreys and Rev. R. L. Crisfield conducted the Bible Study.

Each day's activities included regular chapel services, swimming, handicrafts, Bible study, games and the evening campfire. The success of the program is indicated by the fact that every girl completed an attractive felt purse as well as other smaller articles in the handicraft period.

Swimming instruction also proved successful with many non-swimmers learning the art and every camper learning to float.

Some 21 boys from all parts of the Deanery attended the Boys' Camp. Each day's program was opened with a celebration of Holy Communion. After breakfast the boys had hut and table inspection, swimming, Bible Study and sporting periods. The afternoon program was occupied with quiet period, crafts, swimming, and games periods. Baseball, poodock and volleyball saw keen competition as the four tribes, Navajo, Iroquois, Apache, and Blackfeet sought for victory. Bowling ten pins was a popular indoor sport on rainy days.

Evenings were occupied with more sports, eventide chapel service and campfire. The general program was based on the Artaban system. This featured the parade of fireflies at the opening and closing ceremonies around the campfire.

An additional feature of the closing night ceremonies was a visit from camp secretary, J.D. Champion who gave the boys a very interesting talk on forest life and fire prevention. Before the camp closing the boys also enjoyed a hike around the lake.

The camp was under the leadership of the clergy of the Athabasca Deanery. They included the Reverend Roy Crisfield, Colinton, in charge of administration; the Reverend Ronald Parsons, Boyle, in charge of crafts and swimming; the Reverend Robert Greene, Lac La Biche, in charge of program. Morse Goddard, student in charge of Smith, was music director as well as assisting Mr. Parsons with swimming instruction. Over half of the non-swimmers, who came to camp, could swim by the time the camp was over. The kitchen was under the direction of Mrs. Humphrey Sinetza and Mrs. R. S. H. Greene of Lac La Biche, assisted by Miss Marlene Meyer of Amesbury. Mr. Allan Saunders of Perryvale was a Junior leader.

Following is a list of the boys by tribes:

BLACKFEET: Victor Karpetz (chief), Wandering River. Gordon Stromberg, Boyle, Gary Hayton, Boyle, Allan Dupilka, West Athabasca; Colin McGuire, Athabasca.

IROQUOIS: Orville Franchuk (chief), Amesbury; Robert Will, Boyle; Daniel Anderson, Lac La Biche; Peter Holt, Athabasca; James Plews, Athabasca.

APACHE: Norman Lee (chief), Meanook; Teddy Meyer, Amesbury; Dale Huberdeau, Colinton; David Anderson, Lac La Biche; Donald Dupilka, West Athabasca.

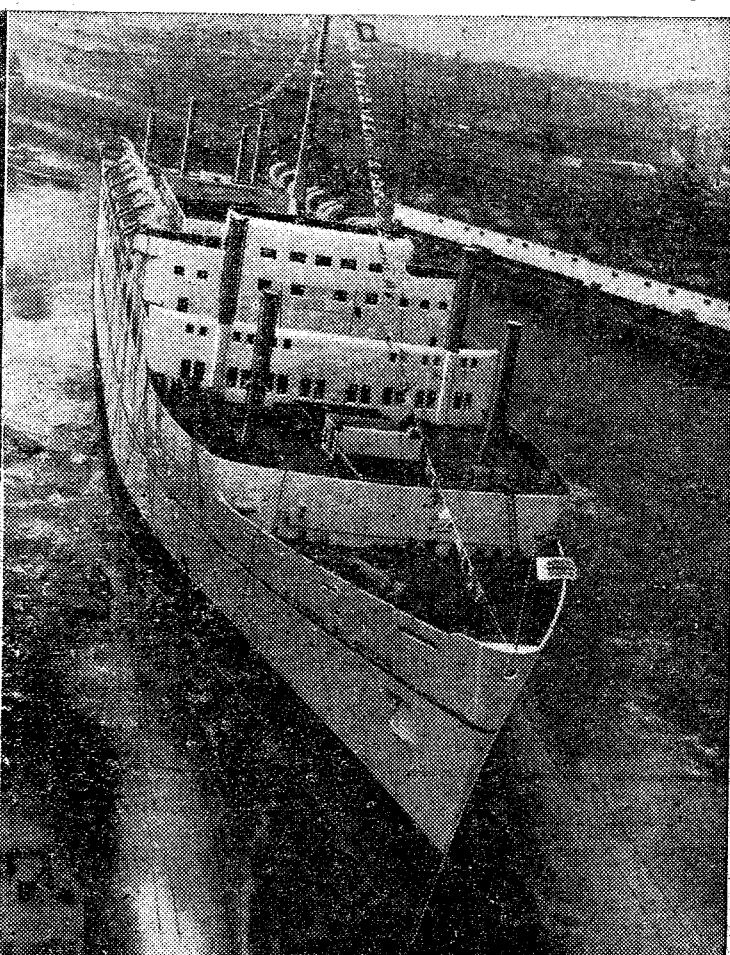

NAVAJO: Walter Berrea (chief), Athabasca; Elmer Gunderson, Colinton; Darnus Miller, Meanook; Billy Luker, Athabasca; David Beecroft, Hondo.

First In Province To Deliver Barley

GRASSLAND—For a good many years a Grassland farmer has had the honor of delivering the first load of grain to Boyle, the lot usually falling to Maty Sawchyn.

This year, William Dytiuk not only delivered the first load, but was the first farmer in the whole province to do so.

Delivery of the load of barley was made to the Wheat Pool elevator at Boyle on August 9.

MAIDEN VOYAGE NEXT SPRING: Hundreds of workers, representing dozens of specialized trades, are putting the finishing touches on the 24,000-ton Canadian Pacific liner "Empress of Britain" in readiness for her maiden voyage in the Spring of 1956. Launched June 22, by Her Majesty Queen Elizabeth

at Govan on the River Clyde, the newest of the Great White Empress fleet is now being outfitted at the quayside. Of modern design, the vessel will carry 1,050 passengers on her North Atlantic travel route between Liverpool and Montreal.

Relatively Small Grain Deliveries Are No Inducement For Elevator Space

By T. W. PUE

LAC LA BICHE—Unless and until the farmers in this district double their present production of grain for sale to the Grain Companies, there is little chance of another elevator company establishing in Lac la Biche.

This is the considered opinion of

officials in the grain trade who have studied the problem. Public-spirited citizens have locally pondered the problem and would like to see another elevator or two added to that of the United Grain Growers. But it must be that there just isn't enough grain produced for sale to the UGG to interest them in building greater storage capacity or in making it feasible for another company to build here.

The main reason is that the acreage tributary to Lac la Biche, the bushels to be delivered and the size of the farms do not rate as high in space requirements as stations where there is a larger acreage and not comparable space. The average acreage on permits at Lac la Biche runs around 83. There are many stations in the province where the acreage is considerably in the excess of this, running around 450 to 500 acres and we mean deliverable acres not specified. Then again the Lac la Biche area where considerable feeding is done, a reasonable proportion of crops harvested never reaches an elevator, being required at home for feeding purposes.

Until there is a larger deliverable volume tributary to Lac la Biche, there are other points in the province where a far greater need for space exists, such need taking priority over Lac la Biche. The average deliveries per year during the last 10 years to Lac la Biche are 113,100 only, the high in 1952-53 of 252,000 bushels, the low in 1948-

49 of 46,000 bushels. Therefore, there is at the present time a sufficient volume of grain being delivered to justify the operation of only one elevator. Presently there is a capacity of 65,000 bushels space, which is sufficient to handle half the normal crop.

The solution of the problem of increased storage capacity on the market rests in doubling the volume to be delivered. There is no doubt about it that if the volume to be delivered at Lac la Biche was doubled some other grain company would be interested in entering that market. If no other company gave evidence of being interested in the market, it would be the responsibility of the United Grain Growers to increase their space proportionately.

Venice

Mrs. Tony Torresan was a patient in the Lac la Biche Hospital. Mr. and Mrs. Pete Bezpoko motored to Edmonton last week.

Mike Biollo, who is working on the section in Boyle, was home over the week-end.

John Krushnalski has returned home after a trip to British Columbia.

Mrs. S. Fornari and her daughter, Josephine, were recent visitors to Edmonton.

Mr. and Mrs. Dan Rolland and two sons, Jimmie and Kenny, visited relatives in Edmonton and St. Albert last week.

Residents Bereaved

EGG LAKE—Mr. and Mrs. Adrien Lemay and their three children of Valleyfield, Que. spent a few weeks visiting their friends and relatives in Edmonton/Plamondon and Egg Lake. They left Monday, Aug. 8, to return home.

The same day, a telegram arrived, announcing the sudden death of Adrien's father, Medard Lemay, also of Valleyfield.

Mr. Lemay was well known here, having resided at Egg Lake many years, before returning to live at Valleyfield. He has three brothers and two sisters living here.

Sympathy goes to the family.

Grassland

Nick Derko has purchased a tractor-trailer tank truck outfit and will haul gas from Edmonton to the north country. He left Edmonton last week on a trial trip, hauling 4,635 gallons to Grande Prairie.

The Zatorski family drove to Skaro, Aug. 1 to attend the wedding of Mrs. Zatorski's niece.

Visitors to the Zatorski home last week included a brother and sister of Mrs. Zatorski from Vernon and Enderby, B.C.

Athabasca

The two-day Agricultural Fair was a great success. The main features were the excellent agricultural exhibits and the Lew Chuck shows. All classes of stock were well represented and the quality of the animals exhibited was in the class of many other shows of much more importance. In the Arts and Handicrafts division there were many good entries and the judges faced quite a problem in deciding winners.

The Athabasca School Division Board has announced the opening of all division schools on Tuesday, September 6.

Former Teacher Visits Grassland

Some very interesting visitors appeared in Grassland on Wednesday in the persons of Mr. and Mrs. Jensen of Olds. Mrs. Jensen is the former Miss Zurawell, the first teacher at Green Pine Crest. She discovered some of her former pupils, one of whom is herself a teacher now. Mrs. Jensen was surprised at the changes which have occurred since she started teaching at Green Pine, 21 years ago.

Caslan

Mr. and Mrs. Tom Coulter returned home after visiting relatives at Medicine Hat.

Congratulations to Mr. and Mrs. Mike Kniazyk of the South Noral district on the arrival of their new daughter.

Mrs. S. Lukasuk was a recent visitor to Edmonton.

Russel Gibrak has returned home.

Mr. and Mrs. Albert Meyer and sons Randal and Lyle of Edmonton spent a week holidaying at the home of Mr. and Mrs. E. W. Meyer.

Alex Gordon spent a few days in Edmonton recently.

Mrs. J. Rosa's sister from the Slave Lake district has been visiting her. Maxine, Leona and Metro Rosa returned home after spending the past month visiting their aunt there.

The Cislo and Kuratais families motored to Goodridge recently.

Helen Lukasuk is visiting the J. Wilk family at Slave Lake.

Mrs. A. Bulmer and two sons have returned to Caslan after a short holiday.

Peter Krawchuk has been working with a road outfit on Highway 46.

Glen Meyer motored to the city for a couple of days.

Mrs. Pat Gordon has her mother and sister, Lois Saarela, from Leslieville visiting her.

Iris Lee has returned from Edmonton to stay with her grandmother, Mrs. Slamko.

Mrs. Krueger, Vernon and Alan were visitors to Athabasca recently.

Bill Wolansky has returned home for the harvesting of his crop.

George Waselenchuk was home for the week-end.
William Krawchuk's son Harold

CANADIAN MAYORS TO DISCUSS CIVIL DEFENCE IN EDMONTON

Clover Bar Teachers Plan Strike Action

EDMONTON (CP) — Alberta Teachers' Association officials announced that Clover Bar School division teachers will begin strike action Monday.

The 78 teachers are protesting refusal of the school board to accept the award of a provincial government board of arbitration, the ATA said.

"If the school board does not accept the award before school opening," an ATA announcement said, "The teachers will not return to their classrooms."

The ATA said teachers believe the dispute centres on maximum salaries. Two arbitration board members recommended maximum salaries ranging from \$100 to \$300 higher than the 1953 schedule. The trustee arbitrator recommended a \$100 increase in all maximum salaries.

The ATA reported that all three arbitrators agreed on minimum and annual increments.

Build Own Houses

BELOEIL, Que. (BUP)—Twenty imaginative young Montrealeers are working on a house development project here that will soon provide them with their dream homes in an idyllic setting by the Richelieu River.

EDMONTON (BUP) — The 18th annual conference of the Canadian Federation of mayors and municipalities to be held in Edmonton, August 28 to September 1, will study civil defence.

Four leading civil defence authorities from Britain, the United States and Canada are expected to give delegates an inside picture of what has been termed the "new dimensions" of civil defence.

Participating in civil defence discussions will be Wing Commander Sir John Rodsoll, director-general of United Kingdom civil defence and chief civil defence advisor to the North Atlantic Treaty organization; Doctor Alvin C. Graves, scientific director of site operations and test director at the Nevada proving grounds; General Charles Foulkes, chairman of Canada's chiefs of staff and Major-General K. K. Worthington, federal civil defence co-ordinator.

The Devil is an artist, he paints sin in very attractive colors.

Hay Fever Sufferers Should Head For Nova Scotia and Haven From Distress

TRURO, N.S. (BUP) — Nova Scotia is a haven for hay-fever sufferers, according to Dr. A. E. Roland, botanist at the provincial Agricultural College here.

Roland said 10 sampling stations were set up last year in widely separated points in Nova Scotia, and at five of these not a single

day could be counted as a hay-fever day from ragweed air-index figures.

At two other stations there was but a single hay-fever day. At another station there were two hay-fever days; at another three; and at the remaining station, only four days.

Price Up 2c On Storage Butter

OTTAWA — The government has increased the sales price of its 1954 storage butter to 58 cents a pound wholesale from 56.

Officials said Wednesday the increase applies only to Canadian consumers. Buyers from other countries can still get Canadian government butter at sharply reduced prices. Exporters to Communist Czechoslovakia recently got 300,000 pounds for 37 cents a pound.

Just why the government decided to boost the price of storage butter at this time was not made clear. It still holds about 40,000,000 pounds, the highest it has ever held at this season of the year. It now also has gathered about 30,000,000 pounds of freshly-made butter.

One authority suggested the increase on storage butter will help stimulate the market for fresh butter. While the government under its price support pays 58 cents a pound wholesale for fresh butter, the price includes the cost of delivering the butter to storage points in double-lined boxes.

Young Thugs Get 5 Years For Attack

EDMONTON (BUP) — Three Edmonton youths were sent to prison for five years Thursday when their planned robbery resulted in a violent unprovoked attack on Paul Bellman, 9647-106 Ave. of this city.

Albert Brookwell, 19, Brian McLeod Manson, 20, and Perry Lindburg, 21, were sentenced by Magistrate Hudson in Edmonton police court after each had pleaded guilty to robbery with violence.

Lindburg and Manson, who had been released from Fort Saskatchewan after servicing short sentences, were back in custody within 12 hours of their release.

According to city police, Bellman was taken to a park by Brookwell and two girls shortly before midnight Wednesday where Manson and Lindburg sprang upon him from behind some bushes.

Bellman was hit on the side of the head by a blunt instrument and then chased some distance before being caught again. Another scuffle followed, during which Bellman was again hit about the head and face and his wallet was taken.

When police arrived the four were sitting in a car and the assailants had left.

Brookwell who gave several versions of what had happened was taken to the police station for questioning where he finally admitted the plan involving himself, Manson and Lindburg.

Bellman was treated in hospital

where he received five stitches over his temple, eleven stitches to close a gash in his lip and six stitches in his hand.

Frains

Miss Minnie Shwetz is home after working at Boyle for a month.

Miss Jean Loposhensky visited her sister at Warspite and her uncle's home at Redwater during her holidays.

Miss Annie Loposhensky is vacationing at Redwater.

Mike Kolmatisky and John Pfair were in the city on business.

Mr. and Mrs. W. Shwetz from the city visited Dan Shwetz.

Mr. and Mrs. Dan Shwetz, Archie and Sophie Hewko motored to Lamont Sunday.

Amber Valley

Recent visitors were, O. Beddingfield, William, Gordie and Loretta Whittaker, Mrs. P. Taylor, Coramae, Mrs. Collins, Mrs. Ferris Williams and Dale from Edmonton.

Douglas Bass will be holding meetings in the school Thursday and Friday evening.

Mrs. D. L. Saunders, O. Bowen, Reese Bowen, T. Mapp, N. G. Murphy and Mrs. M. Hamilton also attended the Oral Roberts Campaign in Calgary.

Miss Norma Bowen is spending a week in Calgary visiting friends.

Plamondon

Mr. and Mrs. Ovide Plamondon are the parents of their first baby, a son, Richard, born on August 2 at the General Hospital in Edmonton.

A son, Pierre, was born to Mr. and Mrs. Alphonse Schaub of Drayton Valley, formerly of Plamondon, in Bonnyville on Aug. 5.

On Aug. 6 a son, Larry, was born to Mr. and Mrs. Edmond Schaub. Godparents are Mrs. Emma Sullivan, the baby's grandmother, and Willard Sullivan, uncle of the child.

Miss Lucille Bauthier is employed at St. Catherine's Hospital in Lac la Biche.

Mr. and Mrs. Walter Gauthier and Mr. and Mrs. Joe Gauthier motored to Morinville for the weekend.

Mr. and Mrs. Patsy Labonte of St. Albert were week-end visitors. Mr. and Mrs. Alfred Gauthier of Edmonton are holidaying in Plamondon.

On July 10 a bee was held at Mr. and Mrs. Louis Plamondon's to help on their new house.

A picnic for the ball club was held on Aug. 7.

Please bring your news to your reporter at the post office whenever possible. It will be greatly appreciated.

Power is being sought to set price-pay curbs if war comes.

Egg Lake

Mr. A. L. L'Heureux made the trip to Edmonton to take his wife for medical treatment.

Mr. and Mrs. J. Girard received a visit from their cousins, Mr. and Mrs. L. Bedard of Morinville recently.

Mr. and Mrs. H. M. Olson were visited by their son Harold and his wife, Mrs. Olson's mother, Mrs. G. Chapman of Victoria, B.C., accompanied them. Mrs. Olson went back to Edmonton with them, where she will spend some time.

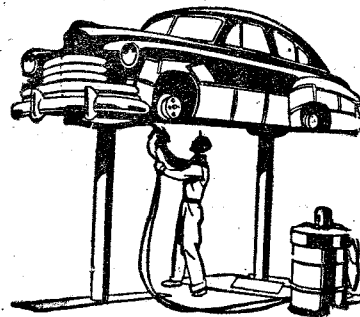

Sympathy goes to the Clement Vincent family of Bonnyville in their recent bereavement. Mr. Vincent was well-known here. Mr. and Mrs. Maurice Lebeuf and Mr. and Mrs. A. Lebeuf went to Bonnyville to attend the funeral. Congratulations to Mr. and Mrs. Denis Amiot on the birth of their second daughter, born on Aug. 3.

Home-Cooked Meals Appeal To Sailors

MONTREAL (BUP) — Mrs. Bessie McKenzie has a man-sized job cooking four meals a day for 22 hungry sailors. But it's all in the day's work for the native of Scotland who is chief cook on the S. S. Kingston, a Canada Steamship Lines lake freighter.

Mrs. McKenzie came to Canada 30 years ago from her Scotland and has been cooking for the lake boats for most of the time since then.

She recalled the old days when cooking in a "laker" wasn't easy. Even today, she said, they bounce about during a storm like a cork in a jostled bucket of water. The bright-eyed Scotsman also remembers the time when she had to wear rubbers in the galley because of the water pouring in through cracks in the door.

Sometimes, when the rocking gets too bad, Mrs. McKenzie goes to bed and lets the men cook for themselves. But the men are eminently satisfied with the fare. "Bessie sets a good table," one officer commented as he tucked into a huge meal.

Thugs Make Clean Get-Away With Safe

EDMONTON (BUP) — Police are searching for three men who held up an Edmonton Hotel early Saturday and escaped with a safe containing more than \$10,000 in cash and cheques.

The men, wearing masks made from women's stockings, forced two employees to lie on the floor and rolled the safe out a side door. One brandished a gun.

Night clerk J. Maudy said he was mopping the floor when the men entered. He said the gun carrier forced him into the office and the others rolled the 400-pound safe through the beverage room.

Hotel manager Mike Richter said the cash in the safe included the day's receipts from the hotel and beverage room as well as the staff payroll.

An unsuccessful attempt was to raid the safe less than four months ago. Two men tried to break it open after holding up the same night clerk.

Council Hears Farmers Protests Against Increased Land Value

EDMONTON—Land bordering the south and east limits of Edmonton is awaiting final assessment pending a policy decision of the Strathcona Municipal District's Court of Revision.

The Strathcona council met as the revision court to hear appeals of a number of farmers whose land value has been markedly increased by an order from the Alberta Director of Assessment.

The order says that "all land used for agriculture within the two-mile zone of the rectangle of the city boundary will be valued either as actual or potential subdivisions with an added value given to farm lands within this area equal to or greater than the regular market advantage" accruing from proximity of the city.

W. B. C. Chamberlain, first appellant to be heard, told the court that "I don't see why land should be taxed at the full value of what someone else—not I—can get from it." Mr. Chamberlain farms 232 acres north of highway 14.

"Our job is not to say whether this is a farm or not," said J. E. Cook, Strathcona assessor. "Our job is to place a true value on the land and location has a large effect. Your land is assessed at \$100 per acre and yet you have sold a parcel to Calgary Power Ltd. for \$400 per acre."

W. Hawkins, who farms 111 acres assessed at \$5,490, east of the city, based his appeal on the statement that "small industry located around my farm does not make any difference to the year's crop."

"Industry does not want my land yet because it is too far out," said Robert Briggs, a third appellant, and no farmer can or would put it at the price it is supposed to have been appreciated to."

The total acreage involved in the court's deliberations amounts to about 2,200 acres in 22 parcels. A decision on the matter is expected to be reached by the end of the week.

This Bug Man Isn't "Bugs"

MONROE LAKE, Que. (BUP)—

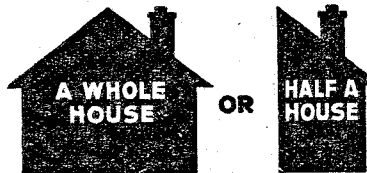

A man who devotes his life to bugs spends his summers at the Provincial Biological Station here with a butterfly net and a microscope.

Brother Robert is a teacher of zoology at the University of Montreal in the winter, and is-in charge of its entomological museum, which boasts some 6,000 species of insects.

While at Monroe Lake, Brother Robert makes daily expeditions into the neighboring woods and lakes and returns to his laboratory with bottles crammed full of a bewildering variety of insects.

The shy zoologist is Quebec's only "odonatist." In four years of collecting within 10 miles of this lake, he has gathered and identified 81 species of dragon-fly. His collections have been sent museums in the United States, Britain and France.

GRASSLAND ALBERTA

But Please Officer, We're Only Dancing

SANTA BARBARA, Calif. (AP)—Miss Ethel Wheeler, a forestry service lookout, swept her binoculars over Santa Ynez peak Wednesday looking for a fire. Suddenly she froze.

The glasses focussed on a young couple dancing in the nude around a campfire. The man was playing a violin, Miss Wheeler said, while his companion made ballet-like leaps.

Miss Wheeler telephoned a for-

est service patrolman, who hiked up and arrested the couple—for having an open fire in a prohibited area.

News From Other Alberta Towns

HIGH PRAIRIE IS RAIL HEAD IN PIPELINE PROJECT TO JASPER LINE

By T. W. PUE

HIGH PRAIRIE—An expected total of 150 flat cars have been unloaded at the N.A.R. tracks here, as the first step in laying a pipeline that will connect with Trans-Mountain to the coast.

Local facilities are being used to store the pipe and insulation. The latter has been put into the curling rink. High Prairie then becomes the "loading-on" point to truck pipe and materials to where the line is being laid.

Fuller and Bannister of Edmonton have been doing the unloading from the flat cars, and storing pipe on three acres of land rented from Frank O'Brien, south of the tracks. From there it will be re-loaded as required and trucked to Valleyview. A total of 60 miles of pipe will be handled here.

The 12" pipeline will transport oil from the Sturgeon Lake district by the Sturgeon Lake Pipeline Company. It comes in 48' lengths, 62 to the flat car.

Jumps To Death Escaping Blaze

A four-year-old boy was killed when he and his brother jumped from the second-storey window of their burning home at Peace River.

Killed was Gordon McLaughlin, youngest son of Mr. and Mrs. George McLaughlin. His brother, John 8, is still in hospital suffering from severe burns.

The fire started when George 9, eldest of the three brothers, dropped a jug of gasoline on the kitchen floor while trying to light the stove.

Honored On 25th Anniversary

Kinsella Memorial Hall was the scene of a happy event on Friday evening, when a large number of relatives and friends gathered to honor Mr. and Mrs. Wylie Brown on their 25th wedding anniversary.

The bride and groom of 25 years entered the hall to the strains of the Wedding March. Mrs. Brown and bridesmaid, Mrs. J. Johnston were presented with corsages and Mrs. Wylie and William Brown with boutonnieres.

The honored guests were presented with a purse by J. F. Murray, to which Mr. Brown responded. A lovely lunch was served, the bride and groom cutting the three-tiered anniversary cake, baked by Mr. A. Barker and decorated by Miss B. Armitage.

Dancing was enjoyed during the evening.

MOBILE CHEST X-RAY UNIT TO VISIT HIGH PRAIRIE

Clarence B. Pugh, Director Surveys and Health Education of the Alberta Tuberculosis Association spent a few days in town this week making arrangements for the visit of the Mobile Chest X-ray unit.

At present it is expected that the clinic will be held during the last week in September. The clinic was last here four years ago and as the incidence of Tuberculosis was found high in the area from High Prairie east to Slave Lake a visit is being made at this time. Anyone from four years of age and up should attend the clinic.

An organization meeting was held Monday evening, August 8, with ladies of the Royal Purple, under the chairmanship of Mrs. E. Rutherford. Registration will be made by a house-to-house canvass and as soon as this is completed a timetable will be drawn up stating the days and hours of the clinic. At present it is expected that the clinic will spend about eight days in High Prairie and the staff will consist of one nurse and two technicians.

Riding In Back Of Truck, Seriously Injured

VALLEYVIEW — A serious accident occurred on the highway one mile west of Calais P.O. During the night of Aug. 4, Mr. Mair and Mr. Donis had car trouble and were forced to hitch-hike back to Grande Prairie. They caught a ride with some young men in a pick-up. It now appears that the driver took a turn at high speed and lost control of the truck. It rolled, jumped, then righted itself. Those in the cab escaped serious harm, but the passengers in the back were badly injured.

The Valleyview ambulance with a nurse took them to Grande Prairie Hospital. Mr. Mair suffered a broken arm and chest injury.

The RCMP are investigating the cause of the accident.

Bull Chases Berry Pickers

REDWATER — While picking raspberries, southeast of town Mrs. George Robinson, accompanied by her daughter, Violet, and Stella and Diane Mickelov were forced to take to their heels when a bull pastured in an adjacent field hopped over the fence. Only damage besides ruffled nerves was the loss of Dianne's head scarf, which she says the bull must have eaten!

Fast Ball Tournament

The Innisfree All-Stars of the Intermediate B held a fast ball tournament Sunday, July 31 on the Innisfree diamond with ladies teams from Vegreville, Vermilion and Kitscoty participating.

Bert Barlow and Al Pearson of Edmonton were umpires.

Scores were as follows: first game — Vegreville 4, Kitscoty 3; second game — Vermilion 4, Innisfree 3; third game — Kitscoty 7, Innisfree 6; final game — Vegreville 4, Vermilion 1.

The Westbury, first U.S. hotel in London, opens

Back Injured In Accident

VALLEYVIEW — Neil McKinley, working on the Lohmon and Johnson rig across the Little Smoky River, with a H.B. well, was struck by broken tongs. He was taken to High Prairie Hospital, where it was reported he had several broken ribs and back injury.

Caught In Flying Cable Dies Of Injuries

VALLEYVIEW — Robert Roski, working on the Peter Bawden rig across Little Smoky, was caught by the leg in a flying cable and hurled 20 feet in the air — the cause, a defective clamp. They got him across the river to the nurse and an ambulance took him to High Prairie Hospital, where he passed away Saturday last.

\$9,500 Calgary Power Building For Redwater

A building permit was issued last week at the Town Office, to Jim Drynan, Redwater manager for Calgary Power Limited, for the new Calgary Power Building, on which construction is to begin within the next two weeks.

The building, which will house an office, workshop and garage, will be of frame construction and will cost in the neighborhood of \$9,500. It will incorporate the use of glass block wall in the street side.

The new building will be located on First Street N.W. on the lot formerly occupied by Mern's Self-Serve Grocery Store.

It is expected that the building will be ready for occupancy before winter sets in.

Plank Hits Pete Rasco

While at work on the sewer construction job, Pete Rasco had the misfortune to be hit in the face with part of a plank. He is now sporting six stitches right between his eyes.

Sports Day At Watino

In spite of showers a successful Sports Day was held at Watino on July 28 with prizes for baseball.

Girouxville carried off the \$50 winners prize. Bicycle races, softball, etc. A well-attended show and dance was held at night in the Community Hall.

New Church Is Dedicated

Bishop Neil Savaryn, OSBN, of Edmonton, opened the ceremony at the dedication of the new Ukrainian Catholic Church at Innisfree.

He was assisted by Rev. Roman Staradub of Vermilion, Rev. George Maly of Myrnam and Rev. Y. Fedunyk of Innisfree and attended by the Dniro choir of Edmonton.

Rev. Fedunyk gave the introductory address. Guest speakers were Mr. Nedilski, Mayor Atkins, R. Whitson, M. Tym and J. Decora.

The Bishop thanked the people for their work and co-operation. Musical selections were rendered throughout the reception held for 350 guests in the IOOF hall.

WINAGAMI BEACH ASSOCIATION REPORTS NEW DEVELOPMENTS

McLENNAN — The Wingami Beach Association report several new developments during the week. First, a bee was held on Sunday, July 24, when despite heavy clouds and threatening rain, about one hundred cars and trucks loaded with work supporters and their families from all points between Peace River and McLennan, turned out with shovels, axes, scythes, saws, etc. and took part in clearing the roadway, parking and camping sites, and the beach itself.

A total area of about three acres has been cleared and about two hundred yards of sandy beach opened up for a swimming area. A camp stove was set up and other material moved to the beach for the campers' use.

The following day, C. Harvie, of the Provincial Parks Board, arrived in McLennan and was taken on a scouting tour of the beach and lease area by H. Casey, Johnny Jones and George Stephenson to ascertain its boundaries, topography, and the quality and quantity of sandy beach in order to draw up a proper plan for the development of the resort. On returning to McLennan, Mr. Harvie discussed future plans, problems and potentials of the area with members of the board and the McLennan town council, assuring them that this lease area had good prospects and with proper planning could be developed as an excellent resort. Mr. Harvie further assured the Association that he would place their problem before the Parks Board with his recommendations and that he would draw up a scale plan of the site for reference, allowing about 40 acres on a half-mile stretch of beach to be retained for playground and public area for the needs of the Association.

The McLennan town council followed this development by purchasing four all-steel teeter-totters for the playground for immediate delivery. At the same time the Association has decided to cut a road through the bush over the last three-quarters of a mile. This work will commence as soon as equipment is available. New signs are

Miners Work On Tunnel Job

Getting the main sewer line under the C.N.R. railway track from North Redwater to South Redwater, has been the job assigned to four experts in mining and tunneling, especially hired for the job by A. A. Voice Construction Co. Ltd. of Edmonton, contractors on the job.

When the job is completed the men will have tunneled some 60 to 80 feet under the tracks, making an underpass large enough for the pipes to pass through. The men, working in teams of two, started from opposite sides of the track, and will meet in the middle. The job is almost finished at time of going to press.

Senior man in the work in years of experience is George Sharp, who has mined for seven years in Canada since leaving his native England, where he worked for 36 years in the coal mines.

Walter Frandsen, who hails from Denmark, is an old hard-rock miner. He has worked in South America and other interesting spots.

Assisting are Mike Mayko, of Mundare, who has had a great deal of experience in sewer tunneling, and William Teel, of Redwater, who is working on his first tunneling job.

being ordered to be erected in conspicuous places requesting members and visitors to place all glass containers along with other refuse in garbage cans instead of being strewn around the beach and in the water itself, where broken glass can be a hazard to bathers and children playing in the sand.

Local Boxer In Training

SLAVE LAKE — It is reported that Sammy Sinclair, well-known boxer, is in training, and expects to visit Edmonton in the very near future for several fight events.

Sammy has done considerable boxing, and during the war fought for the Canadian Championship in the Canadian Army.

Explosion Destroys Dwelling

MANNING — An unexplained explosion destroyed the home of John Tanne and sent him to hospital with a broken collar-bone and head injuries.

The whole townsite was rocked by the blast which happened when Tanne, the town baker, opened the front door of his house.

Truck Damaged, One Injured

HUGHENDEN — Mr. Bogstie, Dwane and Butch, en route to Provost, narrowly escaped injury when a car entered the highway at Metiskow and crashed into them. Their truck was badly damaged. The occupant of the car was slightly injured.

Farmers Rush For Grain Delivery Deadline

Two of the busiest men in Redwater the last week of July were Steve Dorosh of the Searle Elevator and Tom Cherkawski, agent for Alberta Grain Growers.

Farmers waiting for the deadline date to deliver their grain kept delivering load after load the last day and both elevators were working to capacity all day long.

Luckily, the road bans into Redwater were lifted to allow the trucks and tractors to make the trip into the line elevators.

Cuts Hand While Chopping Wood

SUNSET HOUSE — Paul Doucette, youngest son of Mr. and Mrs. E. Doucette, Sr. cut his hand while chopping wood and was rushed to the hospital in High Prairie. The injury required several stitches, and his hand is now in a cast.

Youth Loses Leg

SLAVE LAKE — Roy L'Hirondelle who met with an accident some months ago, has been been operated on at the hospital at High Prairie, and it was found necessary to amputate his left leg. According to the latest information Roy is doing as well as can be expected.

Financial Help For Y.W.C.A.

EDMONTON (BUP) — The Young Women's Christian Association in Edmonton will receive financial aid from the city to help construct a new building.

Edmonton city council voted Wednesday night to make grants in lieu of taxes for one year on a parking lot to be operated by the YWCA on 103 St. south of Jasper Ave.

An old YWCA building will be demolished for the parking lot, which will be the eventual site for the new building.

Funds for the building will be raised by the operation of the parking lot, which has space for 35 cars.

City grants amount to \$918 for property taxes and \$120 for business taxes.

Blind Boys Fund Stolen

About \$9.00 in cash donated by a boys' club from the sale of bottles, etc. and kept at the Blind People's Store, 10669 97 Street, was taken from the premises Thursday evening by a culprit who told the proprietor, Mrs. Dorothy Butrick, that he wished to buy some toys. When she was unable to cash his \$24.00 cheque, he then asked to use the telephone, while she served other customers.

When the man left shortly after, the money, which is used to aid blind boys and which is kept in a jar, was missing.

Edmonton Adopts New Street Signs

EDMONTON (CP) — Metal street numbering signs with 4½ inch black lettering on a white

background will soon be installed in downtown Edmonton and along main thoroughfares.

Traffic Engineer Bert Huffman said the city has bought 587 signs at a cost of about \$1,500. The signs were made by a Calgary company.

Complete Alberta Aerial Mapping

EDMONTON—A map of Alberta, utilizing 350,000 aerial photographs, has been completed by the technical division of the provincial department of lands and forests.

The department's previous map, produced in 1939, had a number of errors, Chief Draftsman Stewart Begg said.

Copies of the map are expected to be ready for sale in October.

Boy Wounds Friend With Air Rifle

EDMONTON (BUP) — Four-year-old Leslie Prescott was taken to hospital in Edmonton yesterday after he was wounded in the arm by a 10-year-old boy with an air rifle.

Mrs. Prescott found her son crying with a deep wound in his right arm. The boy told her that another youth had shot at him with an air gun.

Police confiscated the gun after warning the parents of the boy that the use of such weapons was illegal in the city.

MEAT...

Is energy-giving food. Helps build strong, healthy bodies. You can be sure of fresh QUALITY MEATS every day of the year at

DUMAS'
MEAT MARKET
LAC LA BICHE Alta.

Wins Baseball Tournament

In the three-way battle for top honors, Grosmont won over Fairhaven in the first game. In the second game Athabasca won over Fairhaven by a one-sided score and then went on to defeat Grosmont in the same manner.

In Athabasca's first game, the team of Dave Waddle pitching to brother Buzzy Waddle, proved very effective, while in the second game, B. Labranche seemed equally effective in holding the opposition to a few scattered hits. The team as a whole showed up very well

in the hitting department, getting a good number of extra base hits in both games.

Willow Ridge

George McArthur of Devon visited Mr. and Mrs. S. Peers recently.

Mrs. Stan Johnson of Hanley, B.C., is visiting her father, H. D. Benham, and family.

Miss Joan Benham of Edmonton spent the week-end at her home.

Mr. and Mrs. R. Sibel of Edmonton were Sunday guests of Mr. and Mrs. R. S. Benham. Dale returned with them to spend a week's holiday in the city.

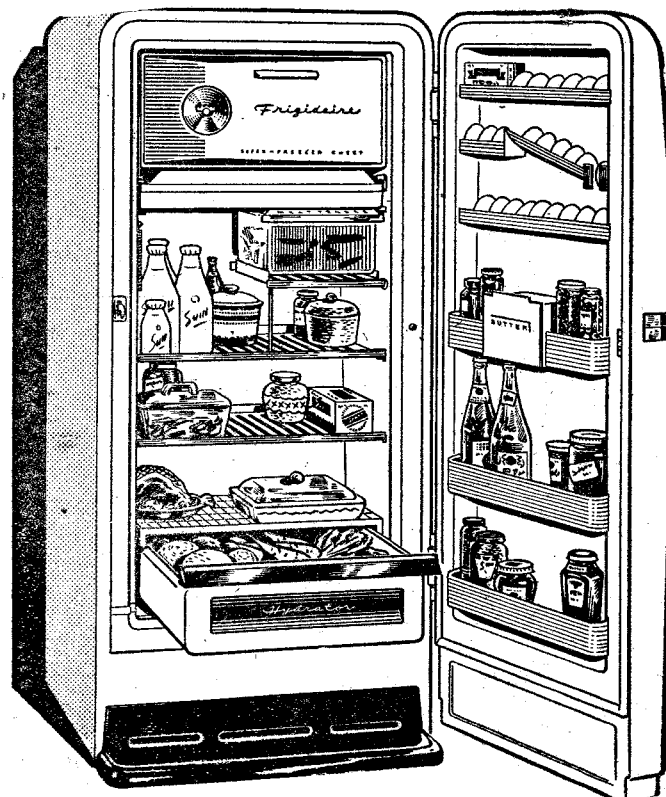

COAL PRODUCTION DROPS

Alberta coal production in June was down more than 59,000 tons from June a year ago. J. A. Dutton, mines director reported June production was 220,936 tons compared with 280,004 in June, 1954.
